

Mothers Day Brunch

Mother's Day has always been a special occasion to celebrate the wonderful woman in all of our lives. The Grandmother's & Mothers, Wives, Sisters and the many other woman who have touched us personally. This day is a day to thank them for all that they do on a daily basis. This is day is a day to give them a day off of everything and enjoy their family and their partner. Let DJ Catering handle all of the details by delivering a delicious full service buffet to your home without the hassle of reservations, preparing or cooking,

Celebrate the woman in your life by calling or visiting
